

Cleanroom Wiper - Market Strategy

Target Market Entry Strategy & Action Plan

Supplier: Wuxi Yuanjie Cleanroom Products

Version: V1.0 | July 2026

1. Market Selection Rationale

Target markets selected based on:

- Lower certification requirements (no mandatory ISO/RoHS for initial entry)
- Growing manufacturing and electronics sectors
- Price-sensitive markets where factory-direct pricing is competitive
- Manageable shipping costs and trade routes from Shanghai

2. Market Profiles

Turkey - Primary Target

- Key sectors: Electronics, automotive, textiles
- Import duty: 2.5-5% on textile wipes (HS code 6307.10)
- Shipping: CIF Istanbul ~25 days from Shanghai
- Target price: DS-0909 < USD 2.10/pack CIF (very price sensitive)
- Payment: T/T, open to L/C for larger orders
- Channels: LinkedIn direct outreach + Turkish trade portals
- Language: English sufficient, Turkish helpful for trust-building

UAE / Saudi Arabia - Quality Focus

- Key sectors: Electronics, oil & gas, construction
- Import duty: 5% GCC common tariff
- Shipping: CIF Dubai ~18 days from Shanghai
- Target price: DS-0909 ~USD 2.05/pack CIF
- Channels: LinkedIn + industry exhibitions (Arab Lab, etc.)
- Important: Professional packaging and branding matter greatly

Poland / Czech Republic - Gateway to EU

- Key sectors: Automotive, electronics manufacturing, pharma
- Import duty: 6-8% (EU common tariff)
- Shipping: CIF Gdansk ~30 days from Shanghai
- RoHS: Recommended, arrange SGS testing before entry
- Channels: Email + LinkedIn + EU B2B platforms (Europages)
- Note: Higher quality expectations, may need certification for pharma

Russia / CIS - Volume Play

- Key sectors: General industrial, automotive, manufacturing
- Import duty: ~10-15% (verify current sanctions status)
- Shipping: CIF St. Petersburg ~35-40 days
- Focus: KH Series industrial wipes (lowest price point)
- Channels: Email + Russian B2B portals (Pulscen, Tiu.ru)
- Payment: T/T preferred, consider intermediary for sanctions compliance

3. Pricing Strategy

- Positioning: 15-25% below current market prices for comparable quality
- Entry tactic: First order at 5% discount + free samples shipped quickly
- Value-add: Free custom packaging design for first bulk order
- Long-term: Build relationships - Increase order sizes - Improve margins

4. Logistics Strategy

- Forwarder: Partner with freight forwarder in Shanghai for FOB operations
- Consolidation: Combine multiple SKUs per container to reduce per-unit cost
- Container: 20GP for orders < 500 packs; 40HQ for bulk orders
- Documents: Commercial invoice, packing list, bill of lading, COO
- Insurance: Recommend 110% of CIF value for marine insurance

5. 90-Day Action Plan

	Action	Target Metrics
	Setup LinkedIn profiles + outreach templates	All markets
	Research 100 target prospects per market	Turkey, UAE, Mexico
	Send 25-50 connection requests per day	Priority: Turkey, UAE
	Follow up with connections, share catalog	All markets
	Target: 10 sample requests sent	Best response rate

	Action	Target M
	Follow up on samples delivered	Active pro
	Negotiate first orders	Best le
	Target: 2-3 confirmed orders	Any ma
	Scale outreach + optimize pricing	Focus on be

6. Risk Mitigation

- Payment risk: Start with 100% T/T for new clients; progress to 30/70 after trust
- Quality risk: Send pre-shipment samples for approval before bulk production
- Shipping risk: Use confirmed FOB/CIF terms, insure all shipments
- Competition: Differentiate through responsiveness, flexibility, and speed
